Is the value shown on the enclosed schedule still sufficient to purchase a new equivalent home on your park, in the event of it being damaged and unable to be repaired? If unsure, please ask your park.

Don't forget to include the cost of any permanently installed items such as decking, patios, sheds, driveways, garages, gates or skirting.

Top tip

If the figures calculated are different to those on your schedule, please call us to check your premium.

Other cover options

Your policy schedule will also confirm if you have selected the following:

-  Accidental damage cover
-  £10,000 personal possessions cover, with £500 cover for money and £1,000 for credit cards when away from your park home
