Thank you for choosing to insure with Leisuredays - we're pleased to welcome you as a valued customer and look forward to covering you over the forthcoming years. Leisuredays aims to provide you with a high quality insurance policy, supported with a commitment to personal service and customer care. That is why we have chosen Royal & Sun Alliance Insurance Ltd (RSA) to work with us and underwrite this policy.

This policy booklet, statement of insurance/schedule and any endorsements applying represent the contract between you and RSA, so please make sure you read these items carefully and ensure that you are happy with them.

This policy booklet contains details of the cover that is available to you, what is excluded from cover and the conditions on which the policy is issued.

Your schedule forms part of your policy and provides details of the policy sections insured, the sums insured including any monetary limits and any special terms that apply. Please read your schedule in conjunction with this policy booklet. An updated schedule will be sent to you at each renewal and whenever you request a change in cover.

We will insure you under those sections specified as operative in the schedule during any period of insurance for which we have accepted the premium, provided that all the terms and conditions of the policy have been met.

This policy booklet provides a number of phone helplines should you need to make a claim, seek guidance or advice. Please refer to page 2 for full details.

If we can be of any further assistance to you please do not hesitate in contacting Leisuredays, where a member of our friendly and knowledgeable team will be happy to assist you. Our opening hours are 8am - 8pm weekdays, and 9am - 4pm weekends.

Once again, thank you for choosing Leisuredays.

This policy is a legal contract between you and RSA. The policy wording and schedule form the basis of the contract and should be read as one document. We recommend that you keep them together at all times.

There are conditions of the insurance that you or your family will need to meet as your part of this contract on pages 20-23. The conditions set out the changes in circumstances that could affect your cover and when we would cancel your policy. Please take the opportunity to read the policy conditions.

The contract is based on the information you gave us when you applied for the insurance.

Our part of the contract is that we will provide the cover set out in this policy wording:

- For those sections which are shown on your policy schedule
- For the period of insurance detailed on the schedule

Your part of the contract is:

- You must pay the premium as shown on the schedule for each period of insurance
- You must comply with all the policy conditions and familiarise yourself with any requirements set out in this policy

- You should take all steps to reduce damage and prevent further damage

If you do not comply with your part of the contract, we may turn down a claim, increase the premium or you may find that you do not have any cover.

Law applicable to this contract

Under the laws of the United Kingdom (England, Scotland, Wales and Northern Ireland) both you and we may choose the law which applies to this contract, to the extent permitted by those laws. Unless you and we agree otherwise, we have agreed with you that the law which applies to this contract is the law which applies to the part of the United Kingdom in which you live, or, if you live in the Channel Islands or the Isle of Man, the law of whichever of those two places in which you live.

We and you have agreed that any legal proceedings between you and us in connection with this contract will only take place in the courts of the part of the United Kingdom in which you live, or, if you live in either the Channel Islands or the Isle of Man, the courts of whichever of those two places in which you live.

24 hour claims helpline: 01422 501 085

If **You** need to make a claim, what **You** need most of all is speedy, professional, practical help. This is exactly what **We** provide. Whatever the problem, big or small **We** are here to help **You**.

If an incident occurs, **You** should take any immediate action **You** think is necessary to protect **Your Structure** and **Contents** from further **Damage**, such as switching off the gas, electricity, or water.

Call **Our** claims helpline on 01422 501 085. Please have **Your Policy** number handy when **You** call. While most claims can be agreed over the phone, there may be times when **We** ask **You** to complete a claim form and provide **Us** with further information, and/or **We** may wish to arrange a visit and inspection.

To help **Us** deal with **Your** claim quickly, please read this **Policy** booklet carefully, particularly the 'Policy conditions', 'Claims conditions' and 'Policy exclusions' on pages 20-25.

Claims conditions

These are the claims conditions **You** and **Your Family** will need to keep to as **Your** part of the contract. If **You** do not,

a claim may be rejected or payment could be reduced. In some circumstances **Your Policy** might be invalid.

If anything happens which might lead to a claim, what **You** must do depends on what has happened. The sooner **You** tell **Us** the better. In some cases, there are other people **You** must contact first. When an incident occurs which may result in a claim, **You** must also read the information on 'How to make a claim'. **You** should also check the information on 'How we will settle claims' under pages 36-37.

What you must do

If **You** or **Your Family** are the victims of theft, riot, a malicious act or vandalism, or if **You** or **Your Family** lose something away from **Your Structure**, tell the police immediately upon discovery and ask for a crime reference number and tell **Us** as soon as **You** can, or in case of riot tell **Us** immediately.

If someone is holding any of **Your Family** responsible for an injury or any damage, no one in **Your Family** must admit responsibility. Give **Us** full details in writing as soon as **You** can and any claim form, application notice, legal document or other correspondence sent to **Your Family** must be sent to **Us** straight away without being answered.

For all other claims, tell **Us** as soon as **You** can.

You should do all **We** reasonably ask **You** to do to get back any lost or stolen property. Do not throw away any damaged items before **We** have had a chance to see them, or carry out any non-emergency repairs before **We** have had a chance to inspect them.

Rights and responsibilities

We may need to get into **Your Structure** that has been damaged to salvage anything **We** can and to make sure no more damage happens. **You** must help **Us** to do this but **You** must not abandon **Your** property to **Us**.

You must not settle, reject, negotiate or offer to pay any claim **You** have made or intend to make under this **Policy** without **Our** written permission. **We** have the right, if **We** choose, in **Your** name but at **Our** expense to:

- Take over the defence or settlement of any claim
- Start legal action to get compensation from anyone else
- Start legal action to get back from anyone else any payments that have already been made

You must provide **Us** with any information and assistance **We** may require about any claim. **You** must help **Us** to take legal action against anyone or help **Us** defend any legal action if **We** ask **You** to.

When **You** call **Us** **We** will advise **You** of **Our** requirements, which will be either:

- Ask **You** to get estimates for repairs or replacement items; or
- Arrange for the **Damage** to be inspected by one of **Our** Claims Advisers or an independent loss adjuster or other expert - their aim is to help **Us** agree a fair settlement with **You**; or
- Arrange for the repair or a replacement as quickly as possible

Where **We** have asked **You** for specific information relevant to **Your** claim **We** will pay for any expenses **You** incur in providing **Us** with the above information.

Claim notification

Conditions that apply to the **Policy** and in the event of a claim are set out in **Your Policy** booklet. It is important that **You** and **Your Family** comply with all policy conditions and **You** should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance must be notified as soon as possible, although there are some situations where immediate notice is required. Further guidance is contained in the **Policy** booklet.

Claims conditions require **You** to provide **Us** with any assistance and evidence that **We** require concerning the cause and value of any claim. Ideally, as part of the initial notification, **You** will provide:

- **Your** name, address, and **Your** home and mobile phone numbers
- Personal details necessary to confirm **Your** identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Police details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses

This information will enable **Us** to make an initial evaluation on policy liability and claim value. **We** may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs, bank or credit card statements, utility bills, pre-purchase surveys, or plans or deeds of **Your** property
- Purchase dates and location of lost or damaged property

- For damaged property, confirmation from a suitably qualified expert that the item **You** are claiming for is beyond repair

Where **We** have asked **You** for specific information relevant to **Your** claim **We** will pay for any expenses **You** incur in providing **Us** with the above information.

Sometimes **We**, or someone acting on **Our** behalf, may wish to meet with **You** to discuss the circumstances of the claim, to inspect the **Damage**, or to undertake further investigations.

To ensure RSA receive documents, please send all documents by either recorded delivery or registered post and ensure that **Your** claim reference number is on all correspondence.

Preferred suppliers

We take pride in the claims service **We** offer to **Our** customers. **Our** philosophy is to repair or replace lost or damaged property, where **We** consider it appropriate, and **We** have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions.

Where **We** can offer repair or replacement through a preferred supplier but **We** agree to pay **Our** customer a cash settlement, then payment will normally not exceed the amount **We** would have paid **Our** preferred supplier.

Please note that unfortunately there are sometimes delays in repairers obtaining parts, which can cause repairs to be delayed. Please contact **Your** repairer to establish the length of time they require for a full repair.

We may need to gain access to **Your Structure** to assess any **Damage**. It is **Your** responsibility to ensure **We** can access **Your Structure** to enable **Us** to do this.

If **You** would like to discuss any aspect of the claims process, please contact the Leisuredays Claims Liaison team on 01422 396 888 or by email to claims@leisuredays.co.uk

The maximum **We** will pay is the sum insured shown in **Your Schedule** subject to any limits shown on **Your Schedule** or in this **Policy** wording. The sum insured will not be reduced in the event of a claim.

The settlement of **Your** claim will be calculated as follows:

If repair is carried out, **We** will pay the cost of repair without deduction for wear and tear. If parts or accessories are found to be obsolete or unobtainable, **We** may use parts and accessories which are not supplied by the manufacturer. Alternatively **We** may use parts of a similar type and quality to the parts **We** are replacing. If **We** are unable to repair, **We** may pay the last known list price for the part or accessory required plus an appropriate fitting charge.

We will not pay for the cost of replacing, repairing or changing any undamaged items or parts of items forming part of a set, suite, carpet or other items of common

nature, colour, design or use. This applies if the other items can still be used and the **Damage** only affects one part of the item.

If the repair or replacement is not carried out, **We** will pay the decrease in **Market Value** of **Your Structure**, but not more than it would have cost **Us** to repair the **Damage** if the repair work had been carried out. **We** will make a cash settlement but **We** will not pay more than it would have cost **Us** to repair the **Damage** to **Your Structure** if the repair work had been carried out without delay. No allowance will be made for VAT when a cash settlement is made.

If **We** know that the **Structure** is subject to a loan, credit agreement or any other form of financial loan or interest charge, **We** will pay the owner whose receipt shall be a full discharge.

You could take the following sensible precautions to reduce the likelihood of loss or damage. These Handy Hints are not a part of the policy.

Drain down

- It is extremely important that the water system is fully drained down during the winter period and whilst unoccupied to prevent frost damage. We would recommend that you speak with your park manager for advice, as most parks offer a professional drain down service as specialist equipment is often needed. Please see pages 13-14 of the policy booklet, which explains the draining down policy requirements.
- It is worth lagging external pipes and utilising the services of a Gas Safe registered engineer to check water heaters annually.

Fire

- We recommend that you fit a smoke detector (and check on a regular basis). Fire blankets and extinguishers should be kept in the holiday caravan. Make yourself aware of the position of fire hoses and extinguishers etc on the park.

General advice

- To protect against condensation, leave interconnecting doors and wardrobe doors open. Also, stack upholstery in the middle of the lounge area.
- Ensure vents are never obstructed – this is vital where gas is involved.
- Check the underside of your structure periodically, to see if any pipes are leaking. To protect against corrosion, especially on a coastal park, protective paint can be used every couple of years. Anchoring should be inspected and maintained on a regular basis.
- When out of season and/or unoccupied consider the damage which can be caused by small mammals/vermin. See your park manager for advice.

Theft

- Always close and lock exterior doors and windows when you leave your structure - even if it's just for a short period of time. Thieves do not need long to go through your property.
- Do not leave high risk items openly displayed in or around your structure.
- Fit a time switch for lamps. If you are out after dark, leaving lights on in your structure will make it look occupied and can deter opportunistic thieves.

- Fit an alarm system. The most effective alarms will alert the park of a break in. We recommend that you speak with your park manager for further advice.
- Out of season, or if unoccupied for long periods, take electrical goods and portable contents home with you.
- Out of season, remove contents from the structure and leave curtains and cupboards open.

Water ingress

Sensible precautions should be taken as follows:

- Regularly inspect the seams and seals where panels join. Contact your park manager if any problems are encountered which could cause water ingress.
- If you have roof gutters, regularly check to ensure that they are kept clear of any obstructions.
- Keep the exterior panelling clean and check the general condition of your structure on a regular basis.
