# Review your insurance cover

Fill in the values of your contents below, then add them up to work out how much you should be insuring for.

I am insuring...	New for old	Market value
<b>Caravan structure</b>		£ <input type="text"/>
<b>Personal possessions</b>		£ <input type="text"/>
Consider the contents you keep at your holiday caravan:		
 Freestanding furniture		£ <input type="text"/>
 Garden furniture/features		£ <input type="text"/>
 Gas bottles and generator		£ <input type="text"/>
 Electrical goods		£ <input type="text"/>
 Kitchen equipment		£ <input type="text"/>
 Food and drink		£ <input type="text"/>
 Linen, towels and bedding		£ <input type="text"/>
 Other contents		£ <input type="text"/>
<b>Contents total</b>		£ <input type="text"/>

Please ask your park regarding **structure value**. Don't forget to include the cost of any decking or patio, and fixtures and fittings.

**Personal possessions** are items you usually bring from home, e.g. clothing. These items are often covered under your home insurance. There is a single item limit; see your schedule for details.

## Top tip

If the figures calculated are different to those on your schedule, please call us to check your premium. Please note that the values represent the maximum amount that would be paid out in the event of a claim.

With **new for old** cover you can enjoy a brand new unit and contents if yours are damaged beyond economic repair or stolen. To insure your unit 'new for old' the value above must represent the current brand new cost on your park (or nearest equivalent model if no longer made).

Please be aware that **your premium may increase by a small amount each year**

as these new for old values should be increased in line with current retail prices.

If your park allows, insuring at **market value** can offer a lower premium.
