INSURANCE THAT LETS YOU RELAX

Review your insurance cover

Fill in the values of your holiday caravan and contents below to work out how much you should be insuring for.

I am insuring... New for old ☐ Market value ☐

Caravan structure £

Personal possessions £

Consider the contents you keep at your holiday caravan:

 **Freestanding furniture** £

 **Garden furniture/features** £

 **Gas bottles and generator** £

 **Electrical goods** £

 **Kitchen equipment** £

 **Food and drink** £

 **Linen, towels and bedding** £

 **Other contents** £

Contents total £

Please ask your park regarding **structure value**. Don't forget to include the cost of any decking or patio, and fixtures and fittings.

Personal possessions are items you usually bring from home, e.g. clothing. These items are often covered under your home insurance. There is a single item limit; see your schedule for details.

Top tip

If the figures calculated are different to those on your schedule, please call us to check your premium. Please note that the values represent the maximum amount that would be paid out in the event of a claim.

With **new for old** cover you can enjoy a brand new unit and contents if yours are damaged beyond economic repair or stolen. To insure your unit 'new for old' the value above must represent the current brand new cost on your park (or nearest equivalent model if no longer made).

Please be aware that **your premium may increase by a small amount each year** as these new for old values should be increased in line with current retail prices.

If your park allows, insuring at **market value** can offer a lower premium.

Leisuredays' holiday caravan insurance policy comes with the reassurance of extensive cover backed by the strength of a global insurer, **Intact Insurance**.
