Review your insurance cover

Fill in the values of your contents below, then add them up to work out how much you should be insuring for.

I am insuring... New for old Market value

Caravan Structure

Personal Possessions

Please ask your park regarding **structure** value. Don't forget to include the cost of any decking or patio, and fixtures and fittings.

Consider the contents you keep at your holiday caravan:

Freestanding furniture

Garden furniture/features

£

Gas bottles and generator

Electrical goods

£

Kitchen equipment

£

Food and drink

Other contents

Linen, towels and bedding

Contents Total

£

With **new for old** cover you can enjoy a brand new unit and contents if yours are damaged beyond economic repair or stolen. To insure your unit 'new for old' the value above must represent with current retail prices. the current brand new cost on your park (or nearest equivalent model if no longer made).

Please be aware that your premium may increase by a small amount each year

as these new for old values should be increased in line

If your park allows, insuring at market value can offer a lower premium.

Personal possessions

are items you usually bring from home, e.g. clothing. These items are often covered under your home insurance. There is a single item limit; see your schedule for details.

Top tip If the figures calculated

are different to those on your schedule, please call us to check your premium. Please note that the values represent the maximum amount that would be paid out in the event of a claim.
