Emergency help and repairs

exclusively for Leisuredays customers

24 hour claims assistance in an emergency to get things back to normal at home, or if you're away, to help you continue your holiday with the least possible disruption. Choose to cover your holiday caravan or home separately, or cover both on the same policy for even better value.

Boiler breakdown

Assistance to restore hot water following the failure of your boiler

Water, plumbing and drainage

We'll help if your plumbing or drainage fails, or you need to get your water supply running again

Electricity and gas supply

We'll get you reconnected if there's a problem with your gas or electric

Main heating system

Help to restore your central heating system if it stops working

Emergency repairs

We'll secure your home or holiday caravan following an accident, or make emergency repairs to your roof after bad weather

Pest infestation

Rest assured we'll remove wasps, hornets, rats or mice

Alternative accommodation

If we can't fix things quick, we'll pay for somewhere for you to stay

Optional boiler service and maintenance

We'll cover the cost of servicing and repairs to your boiler

Highly rated for service and value

Confidence in a trusted family business

Award winning customer service

Investor in people with high training standards
